Share Society

Volunteer Program

604-531-9400 extension 203

15008 26 Ave, Surrey BC

Looking for a safe place to socialize?

Come join the Share & Care Club and the Senior Walking Club

Share & Care Social Club

Do you have a game to teach? Are you an artist? Do you enjoy knitting?

We want you to share your special skills and talent with the group. Come join us for a fun and entertaining morning and surround yourself with great company & conversations over coffee, tea and desserts. This group meets 10-12 every Wednesday from September-May and then breaks for summer and continues in fall.

Seniors Walking club

You can enjoy a light stroll or have conversations outdoors with great company. There's no pressure to walk and you can still be part of the group by being with others. After the outdoors, the group meets for coffee at Semiahmoo mall. Please note, if it is raining we will meet in the Seniors Come Share Society White Rock.

This group meets 10-12 every Wednesday from May—September then breaks for fall and spring and continues again in summer.

If you want to join us for one or both programs, please contact us to register.
