Volunteer Program

604-531-9400 extension 203
15008 26 Ave, Surrey BC

We are looking for volunteers to help us with our growing programs which include:

Share and Care Socials Club: Helping seniors connect with one another through socializing in a fun and interactive environment. To also encourage and motivate seniors to share their talents and skills with one another.

Friendly Visitor Program: Spending time in person with lonely and isolated seniors to offer companionship and friendship.

Telephone Tree Program: Spending time on the phone with seniors to socialize and enjoy friendly conversations.

Volunteer Driver Program: To provide social transportation to seniors to various social programs in the community, grocery shopping, appointments etc...

Senior Connector Service Program: Providing information and referrals in a variety of locations in the community.

Office Assistance: Providing information and referrals over the phone and to walk in clients. Also performing general office duties.

Seniors Walking Club: Organizing senior walks to local parks and trails in Surrey and White Rock. The program offers time for socializing and motivating seniors to stay active and fit.

Computer Instructors: Teaching and helping seniors with computer skills and understanding the dynamics of social media.

We are looking for volunteers that have good critical thinking skills, excellent communication skills, are comfortable using a computer (good internet skills), and are dependable. We are also looking for volunteers with language capabilities and a strong understanding of cultural values and traditions.

If you are looking for a rewarding and gratifying experience in making a difference in someone's life, please contact me at your convenience.
